

ART IN THE PORONGURUP

Local Sculpture Nature Trail 3rd-11th April 2026

Event Overview

Fostering community engagement and positive well-being, this event has developed over 24 years to encourage and stimulate established and emerging artists across the Great Southern to showcase their sculptures. In 2025, 1700 people explored the 66 sculptures located in the natural bushland surrounding the Porongurup Hall. This outdoor event provides the public with the chance to view and buy one-off sculptures and art pieces as well as cast their vote to help decide a number of award winners.

Hosted by a subcommittee of the Porongurup Community Association Inc. (PCA), a small but active not-for-profit volunteer group, this event meets their core objective—to foster community spirit and fellowship in the Porongurup.

In conjunction with Art in the Porongurup, the Porongurup Craft Group runs their annual Art Bazaar; the two events entwine very well, complementing both sculpture and art. The event focus remains to motivate creative minds and create a fun, safe, and enjoyable environment for all ages.
